

Dear Sir/Madam,

I sent this comment on behalf of KLOVE Christian radio listeners nation wide. Do not take away our favorite radio station or regulates their broadcast in any way.

K-Love brings nothing but good things to our lives. During traffic jams, K-Love brings love in our car. During time of sadness, K-Love brings encouragement through it's music and broadcaster. When we need prayer, K-Love can join you in prayer.

It's hard to imagine not having K-Love in my live. I listen to it on the internet and my car.

I cannot even imagine a single negative effect from K-Love to a local resident.

Please do not take K-Love away from us.
